## **What is Political Science ?**

**Specialists in Comparative Politics analyze power dynamics in communities, states and regions throughout the world.**

**Specialists in International Relations focus on the power relationships between countries and between citizens and organizations of different countries.**

**Specialists in Public Policy analyze the processes, structures and outcomes of government policies and policy-making.**

**Specialists in American Politics look at the exercise of power domestically, through American institutions and processes ranging from state to social movements**

**Political Theorists address fundamental normative and explanatory assumptions, such as the nature and purpose of the state; who should have power and why; and what would constitute a good society.**

**Professor Katagiri, you've recently been promoted to associate professor of political science. What courses are you teaching?**

**What topics are you researching  
these days?**

**What its like to receive tenure?**
