- **Curriculum Vitae/Resume** – must include a continuous, uninterrupted timeline of events from the time of initial undergraduat

To be considered for admission into the program beginning July, 2025, the deadline for completing the online application and uploading/forwarding all supporting documents is July 1, 2024. Promising applicants are invited for on-site interviews in July. Successful applicants must make an initial, *non-refundable*, partial tuition payment at the time of acceptance to hold a place in the class.

ESTIMATED EXPENSES OF THE PROGRAM

Tuition	\$43,800
Clinic Use Fee	1,000
Books, Supplies, Equipment	1,650
Parking Fees	<u>440</u>
Total per year	\$46,890

(The above are approximate costs.)

DIDACTIC AND CLINICAL REQUIREMENTS

The program consists of the following approximate percentages of time in each area:

Didactic	25%
Clinical Activities	55%
Teaching	5%
Research	<u>15%</u>
Total	100%

CLINICAL REQUIREMENTS

The minimum clinical requirements are 300 cases and 15 surgical experiences. The program director is fully responsible for ensuring adequate experience in all phases of clinical endodontics.

RESEARCH

Scientific inquiry and research are required for all students. The research must be of sufficient quality to fulfill the requirements for the Master of Science in Dentistry degree. All residents are required to carry out an original research project and submit/defend an approved thesis. Opportunities for both basic and/or clinical research are available.

TEACHING

Please be aware that should you be accepted for a position in our postgraduate residency program in endodontics at SLU, a portion of your clinical training will take place at Missouri School of Dentistry and Oral Health at A.T. Still University.
