

****SLIDE DECK REQUIREMENT**

If you are presenting at the CME activity, ***please enter your disclosure information into your slide deck on the second slide along with relevant disclosure information of a spouse/partner.***

The order of your slide deck should be:

First Slide: Title Page with Author(s)/Presenter(s)

Second Slide: Disclosure Information for yourself/spouse/partner (relationship for your spouse/partner is viewed as your own)

If you do not have a relevant financial relationship then you would simply state,
"I have no relevant financial relationships to disclose".

If you do have a relevant financial relationship, you need to state the relationship and the company (not the product). Example: *"I am a consultant with xxx company and I have received research grant funding from xxx."*

If you are intending on discussing a product or device that is not FDA approved for the use under discussion or if it is still under investigation you need to also put that information on slide two.

Example: *"I intend to discuss off-label/investigative uses of the following commercial product(s)/device(s):"*

Note: For printing/sharing purposes, if possible, we ask that the slide deck you forward to us before the course contain a simple **white background**. For your actual live presentation, we encourage you to use colors and graphics as you desire.
