Institutional Compliance

Projects including human subjects etc., must have appropriate approval(s), such as Institutional Review Board (IRB), prior to the start of the project.

TERMS AND CONDITIONS OF AWARDS

The award will be placed in a designated fund in the administrative PI's name within the Office of the Vice President for Research (OVPR). PIs are required to oversee and approve all expenditures according to the approved budget. Any remaining funds at the end of the performance period will be retained by the SRC for allocation for future projects.

At the end of the performance period—one year from the date of award, PIs must submit a report to the research council and OVPR detailing progress and research products related to the received funding. In addition, recipients are required to complete brief annual reports to the research council and OVPR that document any external funding, publications, or presentations directly related to the support received from this award for three (3) years following the project end date.
